

See & Say

Charles Hamilton

Thinking bout the future tryna stay in my right mind
Thinking I'm the future I don't play when I write rhymes
Pink is not a Gimmick I done mean it when it's on
Reason I don't give it up it seams cause I sit strong
Sittin on the block with the bottle of red dog
Listening to sounds I'm sonic the hedgehog
Niggas wanna knock it so I'm knockin they heads off
Lil nigga watch it I'm watchin so tread soft
Got alot of killas as some people that I know
Roll up the weed but they holding me to the bible
Why? it takes a man to listen to his word
But that's kinda homo so I flip em a big bird
Charle's knows alot Snuffalufugus
My whole Crew Ruff it's Tuff to Fuck with Us
Ya Girl is My Slave just another touch
I can speak for days now listen to the see and say
Fuck Outta Here
Lemme Go Over This Shit
Did ya'll Niggas Catch What I Said
Lemme Lemme Just Show Ya'll Niggas
Cause Ain't Nobody out there Fuckin with Him
Cause AInt Cause Ain't Nobody Out There Fucking With Him
Pull Up n Let it Rip
Pull Up n Let it Rip
Pull Up n Let it Rip
Pull Up n Let it Rip
I have Sex on the Ground so Shut the Fuck Up
Love in the middle such is fucked up
My niggas holed me down like a gravity force field
It sounds like it's up to me Actually more real
Which is actually more real
Than I ever gotten there has to be more still
Which explains why I don't have any awards
WAIT why don't I have any awards?
I go hard like a cavity more fill
Even the word Nice is mad at Me YOU're I'll
Larry David meets Cassidy Orville
Gladly eat a break call me Corvill
Or Carvall My Bars are that Cold
A Tough one to Swallow like Hard Tobacco
Sick with a Loop Charles Fiasco
My Balls Even Call Me an Asshole
NO HOMO
Fuck Outta Here
Lemme Go Over This Shit
Did ya'll Niggas Catch What I Said
Lemme Lemme Just Show Ya'll Niggas
Cause Ain't Nobody out there Fuckin with Him
Cause AInt Cause Ain't Nobody Out There Fucking With Him
Pull Up n Let it Rip
Pull Up n Let it Rip
Pull Up n Let it Rip
Pull Up n Let it Rip
If I said I Ain't the hottest than I'm Lyin my ass off
Being Modest but I'm Lying my ass off
Lying My ass off
Lying my ass off

Being Modest But I'm Lying My ass Off
Lying My ass off
Lying my ass off
If I said I Ain't the hottest than I'm Lyin my ass off
Being Modest but I'm Lying my ass off
Lying My ass off
Lying my ass off
Being Modest But I'm Lying My ass Off
Lying My ass off
See and Say
Pull Up n Let it Rip
Pull Up n Let it Rip
Pull Up n Let it Rip
Pull Up n Let it Rip
Let's Go!
