

They Say I be in the Studio Too Much
That's what I heard
Whatever
Diabolical
Psychological
A Logical Psycho n my Job is to Cycle
Hear a Song n then Make it Obey
Say What I Say to make a Beat Lay in a Grave
While I Press Replay Necrophelia
Kids Love the Music Pedophilia
Flawless Musician From West Coast to Seryia
Let Go of Fear and Just Beg for a Period of Silence
I Grant Such a Wish,
Come Back So Dope Woman Stand up to Piss
Can't Love Her Hit Hand Cuff Her Brick
My Addiction to Poverty is Uncanning
But I'm Rich I'm a Cab You'll Never Catch
On Some Danny Glover Shit
My Lethal Weapon is the Speech in this Lesson
Welcome to Biolyracism 101

Hate for the Honest Escape to the Bahamas
Feels Great to be Hated by Paranas
Under Rated but Rated Face it I'm the Hottest
Any More Hatred than it's a Laser to your Cottage
CHEESE I Photo Finished the Race in College
Under your bed
In your closet

I'm Nicer than Volunteer Prostitutes
Doing Aids Research for some Scottish Youth
But Sicker Than Not Using the Condom
After the Prostitute CLEARLY Told You that she Got the Juice
To Cure has She Has n Just Gave You
I'm SO Nice n sICk I'm SONIC
Don't like How I Spit I'll Vomit
If this Song Ain't a Hit I'll Prom It
Meaning Get it Drunk n Force Myself Upon it
I Killed This Beat Like Jean Bonnet
Jean Bonnet So I Think Shes On It
Brought Her in My Bedroom So She Can Palm it
Told I Her Prefer To use My Sidekick
But I Type Quick So I Write Shit
I'm A Ogre Nothin To Keep Secret
Flip a Bird at the Internet RETWEET IT
Under your bed
In your closet
I be eating all the money in your wallet
I am a whatever you wanna call it
Not a rapper
Hear the laughter
