

## Your Home Is Where You're Happy

Charles Manson

Your home is where you're happy  
It's not where you're not free  
Your home is where you can be what you are  
'Cause you were just born free

Now they'll show you their castles  
An' diamonds for all to see  
But they'll never show you that peace of mind  
'Cause they don't know how to be free

So burn all your bridges  
Leave your whole life behind  
You can do what you want to do  
'Cause your strong in your mind

And anywhere you might wander  
You could make that your home  
And as long as you got love in your heart  
You'll never be alone

Just as long as you got love in your heart  
You'll never be alone no no no  
You'll never be alone no no no no
