

A Girl I Used to Know

Charley Pride

There's a picture that I carry one we made some time ago
If they ask who's in the picture with me I say just a girl I used to know
Just a girl I used to go around with just a friend from long ago
I don't tell them how lost I am without her I say she's just a girl I used to know

I say she's just another girl now just a flame that's lost its glow
And I say her name has slipped my mind now and she's just a girl I used to know
Just a girl I used to spend some time with just a friend from long ago
I don't talk about the nights I cried about her I say she's just a girl I used to know
Just a girl I used to know
