

All The Time

Charley Pride

All the time yes darling all the time
Through the years through smiles or tears I'll love you
Every day I'll prove it every way
Through the years through smiles or tears I'll love you
Other arms may tempt me but don't let that bother you
For even if they tempt me I'll never be untrue
All the time yes darling all the time
Through the years through smiles or tears I'll love you
Other arms may tempt me...
