

## Brand New Bed Of Roses

Charley Pride

I'm looking for a brand new bed of roses  
A love just like mine that stands the test of time  
I'm looking for a brand new bed of roses a love with everlastin  
g clinging vine  
Roses and true love fade a little now and then  
But with the kiss and sunshine they'll blossom once again  
I'm looking for a brand new bed of roses a love with everlastin  
g clinging vine

Roses and true love...  
A love with everlasting clinging vine
