

Help Me Make It Through the Night

Charley Pride

'Here's a little song here that we recorded about 4 years ago.
And'a, We put it in our latest album. I kind'a like it.
It's another one of those heart songs I'd like to do for you.
It goes like this...

Take the ribbon from your hair.
Shake it loose, and let it fall.
Lay it soft against my skin,
Like the shadows on the wall.

Oh come and lay down by my side,
'Till the early morning light.
All I'm taking is your time.
So help me make it through the night.

I don't care what's right or wrong!
I don't try to understand!
Let the devil take tomorrow,
'Cause tonight I need a friend!

Yesterday is dead and gone,
And tomorrow's out of sight.
It's so sad to be alone,
So, help me make it through the night!

(humming)

It's so sad to be alone,
So, help me make it through the night!

I don't want to be alone.
So, help me make it through the night!
