

I Can't Help It (If I'm Still In Love With You)

Charley Pride

(I can't help it if I'm still in love with you)
Today I passed you on the street and my heart fell at your feet
And I can't help it if I'm still in love with you
Somebody else stood by your side and he looked so satisfied
I can't help it if I'm still in love with you
A picture from the past came slowly stealing
As I brushed your arm and walked so close to you
Then suddenly I got that old time feeling I can't help it if I'
m still in love with you

It's hard to know another's lips are gonna kiss you
Oh and hold you just the way I used to do
Oh the heavens only know how much I miss you
I can't help it if I'm still in love with you
No I can't help it if I'm still in love with you
