

I Could Never Be Ashamed Of You

Charley Pride

Everybody says you let me down I should be ashamed to take you
round
Makes no difference what you used to do darling I could never be
ashamed of you
Maybe you were reckless yesterday but together we can find a brighter
day
In my heart I know that you'll come true darling I could never
be ashamed of you

All the happiness I've ever known came the day you said you'd be
my own
And it matters not what we go through darling I could never be
ashamed of you
Maybe you've been cheated in the past and perhaps those memories
will always last
Even though you prove to be untrue darling I could never be ashamed
of you
Darling I could never be ashamed of you
