

## I Know One

Charley Pride

When all your loves have ended when all your friends have flown  
Who'll be around to want you when all your loves have gone  
Only a fool would do it after the way you've done  
But how many fools would have you I know one  
This fool keeps wondering why he fell in love at all  
But you might need this fool around in case you fall  
After the party's over and you've had your fill of fun  
If you need a fool to forgive you I know one

You never know you might be lonely when all your loves have mis  
sed  
It wouldn't hurt to keep an extra fool on your list  
After your heart's been broken and it needs a place to run  
If you'll take a fool who loves you I know one hmm yes I know o  
ne hmm I know one
