

I Think I'll Take A Walk

Charley Pride

I think I'll take a boat and sail the ocean and spend my life just
roaming on the sea
And kiss the girls from Panama to China then she'll be sorry she
mistreated me
I think I'll take a walk and think it over cause things are get-
tin' tougher for me here
Now that someone else has come between us I think I'll take a walk
and disappear

I'll think about the way it makes me jealous to see her walking
arm in arm with him
I'll think about the stars up in the heaven and wish that I could
be on one of them
I think I'll take a walk just to forget her and walk about a million
miles from here
I have a notion to just be a rambler I think I'll take a walk and
disappear
