

# Snakes Crawl At Night

Charley Pride

All the snakes crawl at night that's what they say  
When the sun goes down then the sneaks will play

I watched that car pull right up into my driveway  
Saw a shadow slip away from my house  
So I hurried straight and looked in her room  
And I found out that it was my loving spouse  
All the snakes crawl at night...

So I waited in the shadows until morning and the gun I held was  
trembling in my hand  
No I did not plan to give them any warning  
Cause the devil on my shoulder had command  
All the snakes crawl at night...

Oh the trial in a little while was over and they sentenced me to  
die right away  
But before I leave this courtroom please Your Honor  
There's something more that I would like to say  
All the snakes crawl at night...  
All the snakes crawl at night...
