

# Someone Loves You Honey

Charley Pride

I wanna share your life  
Every minute, every day and night  
And I just want you to know  
That whatever you do and wherever you go

Remember, someone loves you, honey  
No matter what, just be my, girl  
Someone loves you, honey  
More than anything in the world

I'm so glad that I'm the one  
That you come to when you need someone  
That's what my love is for  
It's a shoulder to lean on, a port in the storm

Remember, someone loves you, honey  
No matter what, I just want you to be my, girl  
Someone loves you, honey  
More than anything in the world
