

That's Why I Love You So Much

Charley Pride

You stood by me whenever times were bad and never once did I hear you complain

You always made the best of what little bit we had

And held your head up proud to wear my name

And that's just one of the reasons why I love you so much

You are the reason that I live

I know I've got a woman that no other man can touch

Who gives me all the love she has to give

You've sacrificed for dreams of mine that never did come true

You've done without to satisfy my needs

And everytime I've tried and failed I've found new strength in you

For not one time did you lose faith in me

And that's just one...
