

# We Need Lovin'

Charley Pride

We need lovin' kissin' and a huggin'  
Lots a lovin' gonna keep us right  
We need each other like a sister and a brother  
Like a baby needs a mother everday and ev'ry night

From the bottom to the top life takes us up and down  
It sometimes leaves us with a worried mind  
We've come to far to stop so let's hold on to what we got  
We've tried it all now this is what we find

We need lovin' kissin' and a huggin'  
Lots a lovin' gonna keep us right  
We need each other like a sister and a brother  
Like a baby needs a mother everday and ev'ry night

We think that we need money to buy the things we want  
But they never keep us happy very long  
We had to learn the hard way you live from day to day  
There's just one thing we've needed all along

We need lovin' kissin' and a huggin'  
Lots a lovin' gonna keep us right  
We need each other like a sister and a brother  
Like a baby needs a mother everday and ev'ry night  
Like a baby needs a mother everday and ev'ry night
