(Miss cupcakKe is on this track
Have you heard her? Have you seen her?)

Got a couple of bitches that want my attention
They acting real vicious but I'm not offended
They lurking like witnesses, money I'm getting
Could drop an ice tray and I still won't be slipping
Got another check coming in
Got a couple checks I ain't spent
Got fat pockets, need a gym
I made it possible, like Kim
Today I got great times
Square it out like FaceTime
Yellow tape around the body
But not measuring waistlines (Hoo, hoo, hoo, hoo!)
Zero fucks, the amount (What?)
Zero bucks in your account (You broke!)

So many offers on the table (What?)

A bitch gotta eat on the couch

I got it, I got it, I got it, I got it, I got it, I got it
I got it, I got it, I got it, I got it, I got it, I got it
I got it, I got it, I got it, I got it, I got it, I got it
(Ch-Ch-Ch-Charli...)

I got it, I got it, I got it, yeah

(Xis Cê Xis...)

Controlo qualquer um com a minha bruxaria

Minha bunda é mais forte que feitiçaria

Encanta, magia, atiga, vicia

Consigo o que eu quero se rebolo assim

Não existe ninguém aqui igual a mim, não não

Todos querem sim (todos querem sim), me chamam de queen (me chamam de queen)

Todos querem sim (todos querem sim, eu sei), me chamam de queen

Todos querem sim, me chamam de queen

Todos querem sim, me chamam de queen

(Todos querem sim)
