

# I'll Teach You A Lesson

Charli XCX

Wake up one morning and your hair's all over the shop  
What happened last night?  
Well, the only person who knows is the person lying next to you  
Get out of my bed, and you scream at your reflection  
Same old, same old, it's just a difficult day, it's going ahead again

But oh, boy, why don't you get some variation  
Oh, boy, just have a retaliation  
Oh, boy, just get some motivation  
'Cause your friends are all out getting drunk  
Whilst you're sitting at home having no fun

Come on, come on  
Let's go for a ride  
Why don't we go for a ride?  
Come on, come on  
Let's go for a ride

Backcomb your hair  
Tie up your shoes  
We're gonna go to town  
Come on, take my camera, you got nothing to lose

Scream and shout, all your friends do it too  
Come on, what you waiting for?  
I told you fool, you got nothing to lose

Oh, boy, you're seeming so much better  
Since I posted you on your rent less a day  
Oh, boy, you know all the girls are jealous of you  
And they're polishing their poms with the ra-ra skirts and the polka-dots  
Just to try to impress you

Come on, come on  
Let's go for a ride  
Why don't we go for a ride?  
Come on, come on  
Let's go for a ride

Oh now, you're getting too good for me  
Oh now, you're getting too good for me  
Oh now, you're getting too good for me

See, you know my lineup and my backstage passes  
But then you say

'Come on, come on  
Let's go for a ride  
Why don't we go for a ride?  
Come on, come on  
Let's go for a ride  
Oh'
