Charlie Daniels

Sittin' on a barstool  
actin' like a darn fool  
that's what I'm a-doin' today  
Sittin' here drinkin'  
tryin' to keep from thinkin'  
I'm a-boozin' my troubles away  
Well now I couldn't make her stay  
but doggone her anyway  
she can't say that I didn't try  
Pour me another one  
I'm finished with the other one  
I'm drinkin' my baby goodbye

Sittin' on a barstool  
actin' like a darn fool

that's what I'm a-doin' today  
Sittin' here drinkin'  
tryin' to keep from thinkin'  
I'm a-boozin' my troubles away  
Well now I couldn't make her stay  
but doggone her anyway  
she can't say that I didn't try

I'm finished with the other one  
I'm drinkin' my baby goodbye

Pour me another one  
I'm finished with the other one  
I'm drinkin' my baby goodbye

I'm finished with the other one  
I'm drinkin' my baby goodbye
