

Jesus

Charlie Daniels

Well I ain't nothin' nothin' but a sinner saved by grace
Cause Jesus loved me so very much that he took my place
(He's so good) well it should have been me up on that cross
(He's so good) and it should have been me who paid the cost
When I think of what he's done for me it makes me want to shout
(Come on Christ Church Choir tell them who I'm talking about)

(Jesus) he is the King of Kings he is the Lord of Lords
(Jesus) his words are sharper than a double-edged sword
(Jesus) he's the Messiah He's the hope of Israel
(Jesus) he is more wonderful than the human tongue can tell
(Jesus) the blind were made to see and the multitudes were fed
(Jesus) he forgave the woman raised ol' Lazarus from the dead
(Jesus) he's knocking on your door oh won't you let him in
(Jesus) when you drink His water you ain't ever gonna thirst ag
ain

You'd better listen to what the Spirit has to say
Cause when that final trumpet sounds it's gonna be too late
(Beneath the blood) is the everlasting light
(Beneath the blood) we are worthy in his sight
He's the lily of the valley he's the bright and morning star
Don't try to clean your act up you come just the way you are
(Jesus) He keeps His promises He'll never let you down

(Jesus) he'll stand beside you when the tempter comes around
(Jesus) he shed his precious blood to graft us on the vine
(Jesus) he healed the leper turned the water into wine
(Jesus) walked on the water and rebuked the stormy wind
(Jesus) told Nicodemus said you must be born again
(Jesus) his yoke is easy and his words are always true
(Jesus) gave me a brand new heart he'll do the same for you

(Talkin' bout Jesus)
He is my healer he is my comforter he is my Saviour he is my fr
iend
He will guide me he will protect me all the way up to the end
(Talkin' bout Jesus)
God loved this world so very much he gave his only son for us
He is my rock I know he'll never change
He's comin' for me and Jesus is his name his name is Jesus
