

# Somebody Was Prayin' For Me

Charlie Daniels

Well the path to destruction's like an interstate highway  
(Somebody somewhere was prayin' for me)  
And like so many people I took it for my way  
(Somebody somewhere was prayin' for me)  
Well it's wide and it's smooth and it's easy to travel  
(Somebody somewhere was prayin' for me)  
And then all of a sudden my life came unraveled  
(Somebody somewhere was prayin' for me)

Somebody (somebody) somewhere (somewhere)  
Somebody held me up in prayer  
Cause I was so far down I had to reach up to touch the ground  
Jesus said if you believe (if you believe) just ask and you shall receive  
(Somebody was down on their knees somebody was prayin' for me)  
Prayin' for me  
(Somebody was down on their knees somebody was prayin' for me)

I was on the wrong track like a runaway freight train  
(Somebody somewhere was prayin' for me)  
I was a rocking and a rolling my way down the fast lane  
(Somebody somewhere was prayin' for me)  
Any port in a storm any pleasure that pleases  
(Somebody somewhere was prayin' for me)  
I ran into a brick wall and his name was Jesus  
(Somebody somewhere was prayin' for me)

Somebody (somebody) somewhere (somewhere)  
Somebody must have really cared  
I was lost and I was so alone that I couldn't find my way back home  
I was standin' on the sinkin' sand (sinkin' sand)  
Then he reached down his merciful hand  
(Somebody was down on their knees somebody was prayin' for me)  
Somebody (somebody) somewhere (somewhere)...
