The South's Gonna Do It

Charlie Daniels

Well the train to Grinder's Switch is runnin' right on time And the Tucker boys are cookin' down in Caroline People down in Florida can't be still When old Lynyrd Skynyrd's pickin' down in Jacksonville People down in Georgia come from near and far To hear Richard Betts pickin' on his red guitar

So gather round gather round children Get down well just get down children Get loud well you can be loud and be proud And you can be proud here Be proud to a rebel 'cause the south's gonna do it again

Elvin Bishop's sittin' on a bale of hay He ain't good lookin' but he sure can play And there's ZZ Top and you can't forget That old brother Willie's gettin' soakin' wet And all the good people down in Tennessee Are diggin' barefoot Jerry and the CDB

So gather round gather round children Get down well just get down children Get loud well you can be loud and be proud And you can be proud here Be proud to a rebel 'cause the south's gonna do it again

And again... yes it is
