

# This Ain't No Rag, It's a Flag

Charlie Daniels

This ain't no rag it's a flag  
And we don't wear it on our heads  
It's a symbol of the land where the good guys live  
Are you listening to what I said  
You're a coward and a fool  
And you broke all of the rules  
And you wounded our American pride

And now we're coming with a gun  
And we know you're gonna run  
But you can't find no place to hide  
We're gonna hunt you down like a mad dog hound  
Make you pay for the live you stole  
We're all through talking and a messing around  
And now it's time to rock and roll

These colors don't run and we're speaking as one  
When we say united we stand  
When you mess with one, you mess with us all  
Every boy, girl, woman and man  
You've been acting mighty rash  
And talking that trash  
Let me give you some advice  
You can crawl back in your hole  
Like a dirty little mole

But now you're gonna pay the price  
You might of shot us in the back  
Now you have to face the fact  
That the big boys' in the game  
And the lighening's been flashing  
And the thunder's been crashing  
And now it's getting ready to rain

This is the United States of America  
The land of the brave and the free  
We believe in God and we believe in justice  
We believe in liberty  
You've been pulling our chain  
We should've done something 'bout you a long time ago  
But now the flag's flying high and the fur's gonna fly  
And soon the whole world's gonna know

This ain't no rag, it's a flag  
Old Glory red, white and blue  
The stars and the stripes when it comes to a fight  
We can do what we have to do  
Our people stand proud  
The American crowd is faithful, loyal and tough  
We're good as the best and better than the rest  
And you're gonna find out soon enough  
When you look up in the sky  
And you see the eagle fly  
You better know he's a heading your way  
Cause this ain't no rag it's a flag  
And it stands for the USA  
USA

USA

USA

This is the United States of America  
The land of the brave and the free  
We believe in God and we believe in justice  
We believe in liberty  
You've been pulling our chain
