

# Honey

Charlie Louvin

See the tree how big it's grown but friend it hasn't been too long  
it wasn't big  
I laughed at her and she got mad the first day that she planted  
it was just a twig  
Then the first snow came and she ran out to brush the snow away  
so it wouldn't die  
Came running in all excited slipped and almost hurt herself and  
I laughed till I cried

She was always young at heart kinda dumb and kinda smart and I  
loved her so  
And I surprised her with a puppy kept me up all Christmas Eve two  
years ago  
It would sure embarrass her when I came in from working late cause  
I would know  
That she'd been sitting there and crying over some sad and silly  
late late show  
And honey I miss you and I'm being good and I'd love to be with  
you if only I could  
She wrecked the car and she was sad so afraid that I'd be mad but  
what the heck

Though I pretended hard to be  
Guess you could say she saw through me and hugged my neck

I came home unexpectedly caught her crying needlessly in the middle  
of the day  
It was in the early spring when flowers bloom and robins sing  
she went away  
And honey I miss you and I'm being good and I'd love to be with  
you if only I could  
One day when I was not at home while she was there and all alone  
the angels came  
Now all I have is memories of honey and I wake up nights and call  
her name

Now my life's an empty stage where honey lived and honey played  
and love grew up  
And a small cloud passes overhead and cries down on the flower  
bed that honey loved  
See the tree how big it's grown but friend it hasn't been too long  
it wasn't big  
And I laughed at her and she got mad the first day that she planted  
it was just a twig
