Honey

Charlie Louvin

See the tree how big it's grown but friend it hasn't been too l ong it wasn't big

I laughed at her and she got mad the first day that she planted it was just a twig

Then the first snow came and she ran out to brush the snow away so it wouldn't die

Came running in all excited slipped and almost hurt herself and I laughed till I cried

She was always young at heart kinda dumb and kinda smart and I loved her so

And I surprised her with a puppy kept me up all Christmas Eve t wo years ago

It would sure embarrass her when I came in from working late cause I would know

That she'd been sitting there and crying over some sad and sill y late late show

And honey I miss you and I'm being good and I'd love to be with you if only I could

She wrecked the car and she was sad so afraid that I'd be mad b ut what the heck

Though I pretended hard to be Guess you could say she saw through me and hugged my neck

I came home unexpectedly caught her crying needlessly in the \min ddle of the day

It was in the early spring when flowers bloom and robbins sing she went away

And honey I miss you and I'm being good and I'd love to be with you if only I could

One day when I was not at home while she was there and all alon e the angels came

Now all I have is memories of honey and I wake up nights and call her name

Now my life's an empty stage where honey lived and honey played and love grew up

And a small cloud passes overhead and cries down on the flower bed that honey loved

See the tree how big it's grown but friend it hasn't been too l ong it wasn't big

And I laughed at her and she got mad the first day that she pla nted it was just a twig
