

I'm No Longer In Your Heart

Charlie Louvin

I just finished reading one of your sweet letters
That you wrote before we made our sacred vow
And the way you said you felt tonight you wrote it
Is far from being the way you're feeling now
How can two people be in love so completely
And in a few short years drift so far apart
Some tiny thread from the vows holds us together
You're still mine but I'm no longer in your heart

The only time I ever hear you say you love me
Is when I get the nerve to ask you if you do
And the way it sounds I know that you don't mean it
And my kisses don't do a thing to you
How can two people
