

Loving You Is A Way Of Life With Me

Charlie Louvin

Pardon me if I can't keep my hands off of you
I can't seem to help it you see
Just a touch of your hand is a dream I can't live
Loving you is a way of life with me

If I had to walk along through this world without you
I'd fall like a leaf from a tree
Pardon me if I can't leave your lips alone
I've just got to taste them again
And again and again and again for you see
Loving you is a way of life with me

If I had to walk along...
