

## Million Years Or So

Charlie Louvin

I'm not worry cause I know  
I'll forget you in a million years or so  
I'll miss you but I know  
I won't miss you bout a million years or so

How I loved I loved you so  
How I lost you maybe time in time will let me know  
But I'm not worry cause I know  
I'll forget you in a million years or so

How I loved I loved you so...  
How I loved you but I know  
I'll forget you in a million years or so
