

## She Called Me Baby

Charlie Louvin

She called me baby baby all night long  
Used to hold and kiss me till the dawn  
Then one night I awoke and she was gone  
There's no more baby baby all night long

She called me baby baby all night long  
Kissed my tears away when things went wrong  
What I'd give if she'd just come back home  
And call me baby baby all night long

She called me baby baby all night long  
Build me up so high and made me strong  
Now each night in dreams just like a song  
I still hear baby baby all night long  
I still hear baby baby all night long
