

# We Must Have Been Out Of Our Minds

Charlie Louvin

We said our goodbyes long ago  
Never thinking we'd miss each other so  
All the memories we can't leave behind  
Oh we must have been out of our minds

I thought I loved another not you  
Ain't it foolish I thought the same too  
They both turned out to be the wrong kinds  
Oh we must have been out of our minds

Let's forgive and forget the past we've known  
And reap together the wild seeds we've sowed  
Surely they can forgive us and find  
That we must have been out of our minds

I thought I loved another not you...  
Yes we must have been out of our minds
