## All The Things You Are

## **Charlie Parker**

You are the promised kiss of springtime That makes the lonely winter seem long You are the breathless hush of evening That trembles on the brink of a lovely song

You are the angel glow that lights a star The dearest things I know are what you are

Some day my happy arms will hold you And some day I'll know that moment divine

When all the things you are, are mine

You are the angel glow that lights a star The dearest things I know are what you are

Some day my happy arms will hold you And some day I'll know that moment divine When all the things you are, are mine
