

# Dangerously

Charlie Puth

Oh, oh, oh

This is gonna hurt but I blame myself first cause I ignored the truth

Drunk off that love, my head up there's no forgetting you

You've awoken me, but you're choking me

I was so obsessed

Gave you all of me and now honestly I've got nothing left

I loved you dangerously-y-y-y-y-y

More than the air that I breathe-e-e-e-e-e

Knew we would crash at the speed that we were going

Didn't care if the explosion ruined me-e-e-e-e-e

Baby I loved you dangerously

Mm, mm, mm

I loved you dangerously-y-woah

Usually I hold the power with both my hands tied behind my back

Look at how things change, cause now you're the train, and I'm tied to the track

You've awoken me, but you're choking me, I was so obsessed

Gave you all of me, and now honestly I've got nothing left

I loved you dangerously-y-y-y-y-y-y

More than the air that I breathe-e-e-e-e-e

Knew we would crash at the speed that we were going

Didn't care if the explosion ruined me-e-e-e-e-e

Baby I loved you dangerously

You took me down, down, down, down

And kissed my lips quick goodbye

I see you now, now, now, now

It was a matter of time

You know I know, there's only one place this could lead

But you are the fire, I'm gasoline

love you, I love you, I love you, I loved you dangerously-y-y-y

More than the air that I breathe-e-e-e-e-e-e

Oh now, I knew we would crash at the speed that we were going

Didn't care if the explosion ruined me-e-e-e-e-e

Oh, oh baby I loved you dangerously

Mmmm, mmm

Oh, I loved you dangerously

Oh, oh, I
