

LA Girls

Charlie Puth

Told you I'm moving on to bigger and better things
Guess you never know what good you got until it's gone
Thought I could find somebody new who could take your place
The list goes on, and on, and on

There was Nikki, Nicole, Tiffany, and Heather
But there's only room for you in my world
But you say that I change like the East Coast weather
How the hell did I get caught up
Messin' with these LA girls?

I miss my baby
I'm missin' my baby (LA girls)
I miss my baby
Messin' with these LA girls
(What?)

I miss the days we take the Greyhound to NYC (NYC)
Wish I could've seen that it was perfect how it was
Listen, I don't want this to be the way you remember me
'Cause I know I was wrong, wrong

There was Nikki, Nicole, Tiffany, and Heather
But there's only room for you in my world (only room for one)
But you say that I change like the East Coast weather (oh)
How the hell did I get caught up (caught up)
Messin' with these LA girls?

I miss my baby (my baby)
I'm missin' my baby (LA girls)
I miss my baby
Messin' with these LA girls
I miss my baby (baby)
I'm missin' my baby (LA girls)
I miss my baby
Here we go messin' with these LA girls

One, two, three
Talk to me like-ooh
Ooh, yeah, ooh, oh oh
Quit messin' with me, baby
Ooh, yeah, ooh, oh oh

There was Nikki, Nicole, Tiffany, and Heather
But there's only room for you in my world (only you in my world)
But you say that I change like the East Coast weather
How the hell did I get caught up
Messin' with these LA girls?

I miss my baby (baby)
I'm missin' my baby (LA girls)
I miss my baby (my baby)
Messin' with these LA girls (I'm missin' my baby)
I miss my baby
I'm missin' my baby (LA girls)
I miss my baby (baby)
Messin' with these LA girls

I miss my baby
I'm missin' my baby (LA girls)
I miss my baby
All these LA girls
I miss my baby (my baby)
I'm missin' my baby (LA girls)
I miss my baby
Messin' with these LA girls
