

# Look At Me Now

Charlie Puth

I said this time next year  
Imma be the one who do  
Everything and more you said  
I couldn't do  
This one is for you  
This time next year  
I'm gonna be stronger  
A little bit taller  
Top is my only view

I'm kickin' in the door now  
Better get out my way  
Never really saw me comin'  
You left with nothing to say  
This' for everybody  
Who've always put me down  
I hope you open up your eyes  
And take a good look at me now  
Take a good look at me now  
Take a good look at me now

'Cause this time next year  
Imma walk down these halls  
And show my face for the world to see  
Gonna see me  
And Imma call every girl that turned me down  
And tell 'em now that  
I'm just too busy  
'Cause I don't have the time

And its funny how my so-called friends  
Who've always left me alone  
Are suddenly running into me  
And blowin' up my phone

I'm kickin' in the door now  
Better get out my way  
Never really saw me comin'  
You left with nothing to say  
This' for everybody  
Who've always put me down  
I hope you open up your eyes  
And take a good look at me now  
Take a good look at me now  
Take a good look at me now  
Oh baby  
Take a good look at me now  
Take a good look at me now  
Take a good look at me now

Oh, look at me now  
Woah, this one is dedicated  
To all of the people  
Who said I would be nothing  
Just look at me now  
Look at me now  
Look at me now

I'm kickin' in the door now  
Better get out my way  
Never really saw me comin'  
You left with nothing to say  
This' for everybody  
Who've always put me down  
I hope you open up your eyes  
And take a good look at me now  
Take a good look at me now  
Take a good look at me now  
Take a good look at me now  
Take a good look at me now
