

I'm Not Going Hungry Anymore

Charlie Rich

I'm not going hungry anymore
Your sweet love's what I've been hungry for
But since we locked our hearts together now my table set
forever
I'm not going hungry anymore.

Happiness is where you are and that's all I need to know
I'm gonna plant a tree of love and sit back and watch it
grow
I'm giving loving everything I've got I'm striking while
the iron is hot
I'm not going hungry anymore.

I'm giving loving everything I've got I'm striking while
the iron is hot
I'm not going hungry anymore.
I'm not going hungry anymore...
