

# Let Me Go My Merry Way

Charlie Rich

I don't want you  
I don't need you  
Why don't we just call it a day  
Hmm-mmm  
Were always fussing  
Lord, its disgusting  
(Disgusting yeah! yeah! yeah! Yeah!)  
Leave me, baby, and let me go my merry way

Cause every evening  
You talk about leaving  
Don't come home  
Till the dawn

That's alright now  
It was useless anyhow  
Well, baby, when you get back here Ill be gone

I say when you met me  
I was a happy, happy man  
(Ooooh-ooohbut you messed up)  
My every plan

So I don't want you  
I don't need you  
You didn't love me anyway  
(Anyway)  
What are we living for  
Always trying to start a war  
Leave me, baby, and let me go my merry way

Let me go my merry way
