

# Rollin' With The Flow

Charlie Rich

Once was a thought inside my head  
Fore I'd reach thirty I'd be dead  
Now somehow on and on I go-o-o  
I keep on rolling with the flow

Folks said that I would change my mind  
I'd straighten up and do just fine  
Ahh, but I still love rock and ro-o-oll  
I keep on rolling with the flow

While guys my age are raising kids  
I'm raising hell just like I did  
I've got a lot of crazy friends  
And they forgive me of my sins

Some might be calling me a bum  
But I'm still out there having fun  
And Jesus loves me, yes, I kno-o-ow  
So, I keep on rolling with the flow  
(Keep on rolling with the flow)

I don't guide my age on raising kicks  
But I'm raising hell just like I did  
I've got a lot of crazy friends  
And they forgive me of my sins

Can't take it with you when you're gone  
But I want enough to get there on  
And I ain't ever growing o-o-old  
So, I keep on rolling with the flow  
(Keep on rolling with the flow)

I ain't ever growing o-o-old  
If I keep on rolling with the flow  
(Keep on rolling, keep on rolling)

Keep on rolling with the flow  
(Keep on rolling, keep on rolling)

Keep on rolling with the flow  
(Keep on rolling, keep on rolling)
