

# Big City Blues

Charlie Robison

Skinny dippin? in the Pedernales River  
Country girl sure could make me shiver  
Right now that?s just what I could use  
To wash away these big city blues

Hollywood stars beneath my feet  
Everywhere I look I see concrete  
I could use a little Southern rain  
Blanco County calls my name

Chorus  
Goddamn these big city blues  
I got them big city blues

Someone done went and stole my favorite pair of boots  
Goddamn these big city blues

Daddy was a no count bull ridin? son of a b\*\*\*h  
That?s what my momma said  
She cursed the day they ever met  
She?s the cutest small-town thing that he?d seen in the  
World  
?cept daddy loved big city girls

Chorus

Skinny dippin? in the Pedernales River  
Country girl sure could make me shiver  
Right now that?s just what I could use  
To wash away these big city blues
