

# I Want You Bad

Charlie Robison

Lately it's been drivin' me mad  
Cause you're the best thing that I've ever had  
And I want you  
I want you bad

So come on lets give it a whirl  
And we can shake up the whole wide world  
And I want you  
Oh, I want you girl

I'm all run out of things to do  
And I've got no other place but you

Never, no you'll never be sad  
I'm gonna make you feel so glad  
And I want you  
Oh, I want you bad

I'm all run out of things to do  
And I've got no other place but you

Thinking I'm gonna lose my head  
You know the phone line  
Is takin' too much bread  
And I want you  
Oh, I want you bad  
Oh, and I want you,  
I want you bad
