

# My Hometown

Charlie Robison

Well, I had a buddy back in '81,  
And we made ourselves a pact.  
We were headin' for the new pipeline,  
We were never comin' back.  
Well we worked 80 hours making time and a half,  
But La Grange was too damn hot.  
We drove back home at the end of that week  
And we spent it all on pot.

[Chorus]

So I'll see you in Houston,  
If I ever get out that way,  
I'll see you in Dallas,  
But I won't have long to stay,  
If you're ever out west son,  
And you're feeling like slowing down,  
I'll see you around,  
Around my hometown.

Well, I played ball every single fall,  
I could run just like the wind.  
Went to college like they asked me too  
But they didn't ask my friends.  
Don't think I seen a single classroom,  
But I drank a lot of beer.  
My buddies still love to listen to me when I talk about that year.

[Chorus]

Now I got myself a little band,  
And we're pretty good I guess  
But I never learned how to wear my hair,  
And I never learned how to dress.  
So I'm leaving for the last time honey,  
I'm never more to roam.  
Gonna pack my bags a little heavy this time gonna head my ass back home.

So I'll see you in Nashville,  
If I ever get out that way.  
I'll see you in Austin,  
But I won't have long to stay,  
If you're ever out west son,  
And you're feeling like slowin down.  
I'll see you around,  
Around my hometown.  
I'll see you around,  
Around my hometown.
