

Walter

Charlie Robison

I know I wasn't always so good to you
And one time I had some trouble when it came to being true
But if you're gone for good, don't think you could do better than
an Walter

I'm sure that Walter is a stand up guy
He may never make you laugh but he will never make you cry
But can you really see yourself turning out just like Walter

What is Walter gonna say when he finds out about the way
You used to run wild and free, you used to be in love with me
When he stumbles on those photographs
The one's of us that you still have
He sees you're not the kind of girl that fits into his perfect
world
So before you meet him at that altar
Remember you're gonna have to say I do?.Walter

I bet he never had his nose broke in a barroom fight
Or got cussed out by a country judge because of one crazy night
But can you really see yourself turning out the lights and turning
to Walter

What is Walter gonna say when he finds out about the way
You used to run wild and free, you used to be in love with me
When he stumbles on those photographs
The one's of us that you still have
He sees you're not the kind of girl that fits into his perfect
world
So before you meet him at that altar
Remember you're gonna have to say I do?.Walter
