

Amazing God

Charlie Wilson

God, you're amazing
Thank you for my life
For all of your blessings
And for watching over us

Mountains high, oceans wide
Sunmade days and story nights
Amazing you are
Birds up high, spread wings and fly
Just to thank you for the skies
Beautiful you are

As a rainbow raises all its colors to you
We raise our hands of all colors too

What an amazing god, you are
Let all the world choose to see
That you're an amazing god, yes you are
And the moment we look to you, we can see
What an amazing life to each of us you bring

Spinning world, moving fast
City lights and angels pass
And still amazing you are
My stony path will not last
The hopes, the dreams, the peace I had
Because more the less you are

As a rainbow raises all its colors to you
We raise our hands of all colors too

What an amazing god, you are
Let all the world choose to see
That you're an amazing god, yes you are
And the moment we look to you, we can see
What an amazing life to each of us you bring

You're an amazing god, you are
We the world, we choose to see
You're an amazing god, you are
And we look to you, and we see
The amazing life for all of us, all of us you bring
Aaah oooh yes

Listen
I let go, all the negativity
And I flow in your positive energy
I'm so grateful, yeah I'm so thankful
Sing it with me now
(I let go, all the negativity)
(And I flow in your positive energy)
(I'm so grateful) grateful yeah
(I'm so thankful)
I let go, all the negativity
(And I flow) in your positive energy
(I'm so grateful) grateful yeah
(I'm so thankful) thankful

(Yeah, yeah, yeah, yeah)
Hallelujah
(Yeah, yeah, yeah, yeah)
Can you sing it again?
Sing it one more time for me
(Yeah, yeah, yeah, yeah)
Yeah, yeah, yeah, yeah
(Yeah, yeah, yeah, yeah)
I'm so grateful (thankful, thankful)
And I'm so thankful (thankful, thankful)
I'm so grateful, hallelujah (hallelujah)
I'm so grateful yeah yeah
Hallelujah (hallelujah)
Thank you (thank you)
