

# Better

Charlie Wilson

Oooh oooh oo-oo-oooh  
Oooh oooh oo-oo-oooh

Lovin' you is easy  
I don't need reason, baby I don't need a season  
'Cause lovin' you so unconditional  
Baby I'll never let you go-oooh

Baby I know that you said that you're sick and tired  
I'm being sick and tired  
But Imma be here for you baby  
I'll never-ever-ever-ever leave your sight  
Forever and a day, until these eyes fade  
You gon' be the one

To make me better, better, better, better, better, baby  
You gon' make me better, better, better, better, better  
If I knew then, what I know now  
Oooh oooh oooh oo-oo-oooh ooh  
Oooh oooh oooh oo-oo-oooh ooh better

Trustin' you is easy  
You better believe me, baby you are my secret  
I'll be what you needin', someone forget about  
Lovin' is just so incredible

Baby I know that you said that you're sick and tired  
I'm being sick and tired  
But Imma be here for you baby  
I'll never-ever-ever-ever leave your sight  
Forever and a day, until these eyes fade  
You gon' be the one

To make me better, better, better, better, better, baby  
You gon' make me better, better, better, better, better  
If I knew then, what I know now  
Oooh oooh oooh oo-oo-oooh ooh  
Oooh oooh oooh oo-oo-oooh ooh better

I said it don't bother me, that you're the best part of me  
Better, better, ooh  
It don't bother me, but you're the best part of me  
Better, ooh  
Better, better, yeaaaaah  
Be-be-be-be-better baby

To make me better, better, better, better, better, baby  
You gon' make me better, better, better, better, better  
If I knew then, what I know now  
Oooh oooh oooh oo-oo-oooh ooh  
Oooh oooh oooh oo-oo-oooh ooh

To make me better, better, better, better, better, baby  
You gon' make me better, better, better, better, better  
If I knew then, what I know now  
Oooh oooh oooh oo-oo-oooh ooh  
Oooh oooh oooh oo-oo-oooh ooh
