

## Charlie, Last Name Wilson

Charlie Wilson

Yo C, You know we need to go out and do somethin' man  
Got all these hot cars and hot cribs  
Ain't got nobody to share it with, baby  
You know what I mean? Let's go

Hey girl, how you doin'?  
My name is Charlie, last name Wilson  
I was wonderin' if I could take you out  
Show you a good time, invite you to my house  
Here is my number, girl you can call me  
And don't forget it baby, the name is Charlie

With all of this fortune, what am I doin' single  
Sometimes I tell myself, "Man, get out and mingle"  
You don't have to be alone, you need someone to love  
But bein' famous sometimes it's hard to find someone to trust

But the hell with that this time, I'm gonna treat myself  
Being in love is good for your health  
It's time to share this fortune and fame with someone else  
Now that I'm in this club, I might as well, yeah

Now, I ain't got nobody to ride in my new Coupe with  
Ain't even got nobody to chill with on the weekend  
This is just a house, until someone makes it a home  
Love don't count me out, 'cause I'm so all alone

But the Hell with that this time, I'm gonna treat myself  
Bein' in love is good for your health  
It's time to share this fortune and fame with someone else  
Now that I'm in this club, I might as well

Now the reason that I laugh is because it feels like I know you  
This must be one hell of a Deja Vu  
Haven't I seen you somewhere before?  
And I know you heard this somewhere else  
And how I want you girl for sure  
And that's why I'm introducin' myself, yeah
