

## Let's Chill

Charlie Wilson

From the first time I saw your face  
Girl, I knew I had to have you  
I wanted to wrap you with my embrace  
Visions of your lovely face

All my love is for you  
Whatever you want I will do  
You're the only one I want in my life  
For you I'll make that sacrifice

Let's chill and let's settle down  
That's what I wanna do  
Just me and you  
I'm so happy to have you here  
Standing right by my side  
Is it a dream or reality?  
If it's a fantasy, please don't wake me

All my love is for you  
Whatever you want I will do  
You're the only one I want in my life  
For you I'll make that sacrifice

I want you to be by my side  
You know I want you to be mine  
It is no secret, you know how I feel  
All I wanna do is just chill  
Be mine for the rest of the night, baby  
Now come on and let's ride  
It is no secret, you know how I feel  
All I wanna do is just chill
