

Me And You Forever

Charlie Wilson

From the time we wake up in the morning
Baby, till the sun starts rising
Open your eyes, you'll be smiling
Cuz my love is here, at your door
We got in a perfect time
Cuz I don't want you feelin' lonely
No games, no lie, cuz I'm aiming for

(Me and You Forever)
Am I asking for too much?
I'll be selfish with your love
Till the end of time
(Me and You Forever)
Oh, every day that turned to night
I will stay here by your side
Makin' the lovin' vibe fo'eva, yeah

Girl, I wanna be that soul(?)
I'll be there when the world gets colder
I know we will grow a lil older
I'm not goin' anywhere
We can ride on the wings of love
Fly a mile and the skies we're touching
You ain't gotta want fo' nothin'
Cuz I'm aimin' fo'

As long as you have me, I have you
We got everything we need
As long we're we, and we believe
We don't have to let go, no
Me and you forever
