

Somebody Loves You

Charlie Wilson

Girl, don't it feel good to know that somebody loves you, baby?
Girl, don't it feel good to know that somebody loves you, baby?

Hey, miss beautiful, don't know what I'd do without you
My incredible, super hero woman, you're so unbelievable
The magic that I feel around you brings me to life every time
More than physical, the aura that I see around you, irresistible
Sexy like the models, you are finer than in Vogue
The magic that I feel around you brings me to life every time

Girl, don't it feel good to know that somebody loves you, baby?
(Somebody loves you baby)
Girl, don't it feel good to know that somebody loves you, baby?
(Somebody loves you baby)

Somebody Somebody Somebody Somebody
Somebody loves you!
Somebody Somebody Somebody Somebody
Somebody loves you!
Charlie Wilson, baby!
