

# Thinkin' Of You

Charlie Wilson

Mmm, hmm

It feels like a lifetime, a thousand days have passed by  
Since I held you close to me  
If I could see that smile from my friend  
I know that I could live again  
I need you here with me

Heaven knows what to say  
Even though for right now you're so far away  
I hope and I pray  
Somewhere in your heart I'll always stay

Girl, lately my sun doesn't shine without you  
Never noticed what it feels like to be without you  
Feels like I took my last step and my last breath  
And my life ended

Had to say just what I was feeling, girl  
'Cause my sun doesn't shine  
Sun doesn't shine without you

This is more for me than for you  
Girl, I finally see there's no substitute  
For what we have  
Do you know how much I love you?

And that we shared, I can't forget  
Girl, a love like yours  
I'll never let just slip away  
Just promise that you'll stay

Heaven knows what to say  
Even though for right now you're so far away  
Gonna tell you and show you  
Do whatever I can do to get back to you

Girl, lately my sun doesn't shine without you  
Never noticed what it feels like to be without you  
Feels like I took my last step and my last breath  
And my life ended

Had to say just what I was feeling, girl  
'Cause my sun doesn't shine  
Sun doesn't shine without you

Have you ever seen a flower that did not bloom?  
Seen a starless night without the moon?  
Well, that's me without you?  
So come back and turn my nights into days

Girl, lately my sun doesn't shine without you  
Never noticed what it feels like to be without you  
Feels like I took my last step and my last breath  
And my life ended

Had to say just what I was feeling, girl

'Cause my sun doesn't shine  
Sun doesn't shine without you
