## **Thinkin' Of You**

## **Charlie Wilson**

Mmm, hmm

It feels like a lifetime, a thousand days have passed by Since I held you close to me If I could see that smile from my friend I know that I could live again I need you here with me

Heaven knows what to say Even though for right now you're so far away I hope and I pray Somewhere in your heart I'll always stay

Girl, lately my sun doesn't shine without you Never noticed what it feels like to be without you Feels like I took my last step and my last breath And my life ended

Had to say just what I was feeling, girl 'Cause my sun doesn't shine Sun doesn't shine without you

This is more for me than for you Girl, I finally see there's no substitute For what we have Do you know how much I love you?

And that we shared, I can't forget Girl, a love like yours I'll never let just slip away Just promise that you'll stay

Heaven knows what to say Even though for right now you're so far away Gonna tell you and show you Do whatever I can do to get back to you

Girl, lately my sun doesn't shine without you Never noticed what it feels like to be without you Feels like I took my last step and my last breath And my life ended

Had to say just what I was feeling, girl 'Cause my sun doesn't shine Sun doesn't shine without you

Have you ever seen a flower that did not bloom? Seen a starless night without the moon? Well, that's me without you? So come back and turn my nights into days

Girl, lately my sun doesn't shine without you Never noticed what it feels like to be without you Feels like I took my last step and my last breath And my life ended

Had to say just what I was feeling, girl

'Cause my sun doesn't shine Sun doesn't shine without you
