

# Touched By An Angel

Charlie Wilson

Lately I've been thinkin' 'bout us  
What would I be if I hadn't met you?  
And the truth is, I don't think that I'd be well  
And every day, I get to wake up  
Next to you, girl, I'm reminded of  
All the reasons I'm so happy I could yell

Screamin' out at the top of my lungs  
Tell the world that I found the one  
My baby's hotter than the golden Sun  
You make my heart beat like a bass drum

Listen to me now  
I've been touched by an angel  
You're what Heaven is made of  
Can't see your wings, or a halo  
Saved my life so you gotta be a miracle  
I've been touched, touched by an angel

When I'm lookin' into your eyes  
Forget about my problems, I'm in paradise  
I'm alright as long as you're by my side  
You're my best friend, my lover, my rock  
Wanna climb to the highest mountaintop  
And confess my love for you will never die

Screamin' out at the top of my lungs  
Tell the world that I found the one  
My baby's hotter than the golden Sun  
You make my heart beat like a bass drum

Listen to me now  
I've been touched by an angel  
You're what Heaven is made of  
Can't see your wings, or a halo  
Saved my life so you gotta be a miracle  
I've been touched, touched by an angel

See you're my angel, guardian angel  
And I owe, I owe my life to you  
You're my angel, guardian angel  
And I owe my life, my heart, my world to you

Listen to me now  
I've been touched by an angel  
You're what Heaven is made of  
Can't see your wings, or a halo  
Saved my life so you gotta be a miracle  
I've been touched, touched by an angel
