

Without You

Charlie Wilson

It feels like a lifetime, a thousand days have passed by
Since I held you close to me
If I could see that smile from my friend
I know that I could live again
I need you here with me

Heaven knows what to say
Even though for right now you're so far away
I hope and I pray
Somewhere in your heart I'll always stay

Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath in
my life ending
Had to say just what I was feeling, girl
Cause my sun doesn't shine, sun doesn't shine without you

This is more for me than for you
Girl, I finally see there's no substitute
For what we have
Do you know how much I love you

Heaven knows what to say
Even though for right now you're so far away
Gonna tell you and show you
Do whatever I can do to get back to you

Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath in
my life ending
Had to say just what I was feeling, girl
Cause my sun doesn't shine, sun doesn't shine
without you
